

2mm solar panel manufacturer

Overview

Does sonnenstromfabrik make solar panels?

Sonnenstromfabrik produces both its own products under its own brand name but also third-party modules, which it makes on behalf of other solar manufacturers. Our product range comprises framed and frameless glass/glass modules, framed standard modules of glass-foil design and special modules such as off-grid modules and roof-integrated modules.

What are ultra-clear patterned solar PV glass solutions?

Ultra-clear, patterned solar PV glass solutions engineered to help maximize light transmission while minimizing absorption and reflectivity – characteristics which contribute to improving overall conversion efficiency in solar cells.

What is solar procurement & services?

It is supported by a suite of solar procurement solutions and services designed to help businesses of all sizes lower their material procurement costs, unlock value and accelerate growth.
