

## 8 battery cabinet price

## Overview

---

What is a lithium-ion battery charging cabinet?

The Justrite Lithium-Ion Battery Charging Cabinet is the ultimate solution for safely charging and storing your lithium-ion batteries. Each charging station locker has multiple layers of advanced shielding to help reduce the risk of battery fires and thermal runaway.

What is a battery cabinet?

Our battery cabinet is an innovative solution for the safe charging and storage of lithium-ion batteries. Designed to keep Li-ion batteries in a cool, dry and secure environment, the cabinet is equipped with a 150mm fan, liquid-tight spill containment sump, and double-walled sheet steel construction with 40mm thermal air barrier.

How many outlets does a Li-ion battery cabinet have?

Featuring 8 outlets, 2 adjustable pole power points and 2 adjustable, perforated shelves, this cabinet provides a convenient and flexible way to charge and store your Li-ion batteries. RSEA is all about safety by offering workwear, safety equipment and safety gear all over Australia. Discover our range of safety products online today!.

How many kWh can a battery storage unit hold?

This battery storage unit has a max capacity of 4kWh. It includes an 8-receptacle power strip to allow you to charge multiple batteries at once. The lightweight, benchtop design makes it easy to move the cabinet wherever you need it. Lockable doors keep your lithium-ion batteries securely stored and safe from theft.

What is a Justrite battery storage cabinet?

Every Justrite battery storage cabinet is made from strong 18-gauge steel. It has double-walled sides, top, and bottom with a 1.5-inch air gap between the

walls. The manual-close doors have baffled vents and a unique flame arrester pattern. They are supported by continuous piano hinges for a secure and reliable closure.

What is a storemasta Battery Cabinet?

The STOREMASTA battery cabinet also features our patented Safe-T-Close sequential door close system, which offers superior security for your battery store. Each of our STOREMASTA lithium-ion battery cabinets is electrically certified, with IP54 rated fittings and a 10AMP power inlet.
