

# **American Solar Panel Group**

## Overview

---

Is American Solar Group licensed to install solar panels?

On his site, it claimed American Solar Group was, at the time, “licensed to install solar panels.” Mange told ABC-7 she was unable to locate a license for American Solar Group. Today, the website for American Roofing Pros, LLC is still active.

Why should you choose American Solar?

Smart homeowners, businesses, and non-profits achieve massive energy cost savings with solar panels from American Solar. As the leading clean energy company in Northern California, we specialize in solar systems, energy storage, estate scale battery backup and electric pool heating to fully satisfy your residential or commercial property.

Is a for-profit company soliciting solar panels by phone?

We have received numerous reports that a for-profit company called American Solar is soliciting by phone. The American Solar Energy Society (ASES) differs from the business “American Solar.” ASES does not make outgoing solicitation calls or sell solar panels, as we do not engage in telemarketing of any kind.

Is American Solar a scam?

There are several legitimate companies called American Solar, US Solar, or similar names that suggest the business is based in the United States and deals with solar energy. Unfortunately for these companies, their reputations are sometimes called into question because of scammers who pose as their business (or one that sounds similar in name).

How do American Solar scam calls work?

American Solar scam calls typically work much like other types of spam calls: A scammer who claims to represent a legitimate business makes you a generous (but fake) offer with the intention of uncovering sensitive

information like your email address, bank account information, or Social Security number.

Does American Solar Corporation use robo calls?

\*\*\*IMPORTANT\*\*\* American Solar Corporation is not affiliated with any similarly named entities that use robo calls and, in some cases, illegal telemarketing tactics. We are a family-owned San Francisco Bay Area business, and as such we maintain close connections with our clients and do not employ telemarketers.
