

# **Can I bring an outdoor power supply to customs**

## Overview

---

Does ups ship prohibited items?

There are certain prohibited items UPS won't ship due to laws or regulations.  
What Are Prohibited and Restricted Items?

What Are Prohibited and Restricted Items?

Under applicable law, certain goods may be transported only under prescribed conditions and certain goods are prohibited from transportation.

What if I can't bring a product into the country?

Bringing something into the country that you purchased abroad is officially called "importing" even if the item is for your own use. If you are not prepared for the Customs process, you can be in for a long delay entering the country. Knowing what you can and cannot bring back into the country makes the process go as smoothly as possible.

Do I need to tell a customs officer if I have items?

The U.S. and Canadian Customs rules are somewhat different but generally speaking you will need to tell the Customs officer if you have any of the following items: Items you intend to sell or use in your business, or are to be used by another business in the country. Gifts for friends in the country.

What should I declare to a customs official?

The rules for the U.S. and Canada differ, but listed below are the things you should declare to the Customs official: Items you purchased in the other country. We have seen reports of travelers detained because their tires simply looked new. They then had to prove they had not purchased the product over the boarder.

What items are subject to duty?

Even if you used the item up completely it is still technically subject to duty. Gifts you received, or are bringing for someone at home. Items you bought in duty-free shops. Repairs or alterations to any items you brought across the border and then brought back – even if the repairs / alterations were performed free of charge.

Are unsafe items allowed to enter the United States?

These agencies require that unsafe items are not allowed to enter the United States. CBP officers are always at ports of entry and assume the responsibility of protecting America from all threats.
