

High-tech outdoor power

Overview

Are outdoor power tools a good purchase?

Learn More > Outdoor power tools aren't a small purchase, so you want to have confidence that you picked the right product the first time. To help you make the right decision for your property, we test everything from chipper shredders to string trimmers, basically just about any type of lawn and garden equipment for any size and type of yard.

Which power station is best for outdoor activities?

The Ampace Andes 1500 is our favorite power station for outdoor activities, as it is still relatively portable but has enough oomph to run high-power appliances. It has a 1,462Wh battery. To put things into perspective, that is enough battery capacity to charge a smartphone nearly 100 times.

Where is electric outdoors based?

Electric Outdoors launched its first pilot program in Michigan's Upper Peninsula in collaboration with Innovate Marquette SmartZone. This region was chosen for its rugged beauty and commitment to sustainable outdoor recreation.

What is the best gas-powered lawn edger?

Both the edger and trimmer worked smoothly and efficiently in our tests. With nearly professional-level results, the Echo was our favorite gas-powered lawn edger combo this year. Learn how we tested and reviewed more top picks in our best lawn edgers guide. Get the Echo PE-225 lawn edger at The Home Depot. 3.
