

# **Huawei pack battery comparison**

## Overview

---

How much does a Huawei battery cost?

See energy meter datasheet. The Huawei battery is price competitive and comes in as one of the lower-cost battery systems when measured on a cost per kWh basis over 10 years. Regarding upfront cost, it's also one of the lower options in our detailed solar battery cost comparison article, coming in at a little under \$800 per kWh.

How long does a Huawei battery last in Australia?

Compare quotes from up to 7 installers in your area now. Like most battery solutions in Australia Huawei offer a 10 year warranty for their battery. For each 5kWh module there is a life cycle power discharge of 16.45MWh stated in the warranty document with an estimated 60% capacity at end of life.

What are the features of Huawei's new battery?

There are a number of features of the Huawei's new battery worth mentioning: Like many battery solutions on the market Huawei have opted for a modular design for their batteries – this enables greater scale in production and more flexibility for consumers.

How many volts does a Huawei battery run?

As explained earlier, unlike most other modular high-voltage battery systems connected in series to increase the voltage, the Huawei battery modules are connected in parallel, and each operates at 350V to 430V.

Can a Huawei battery power a blackout?

With the inclusion of their back up box, Huawei's battery can provide power during a black out with an output up to 5kW on single phase and 3.3kW on three phase. With a number of recent grid outages across Australia this has become an important consideration for buyers of solar batteries. How much do Huawei batteries cost?

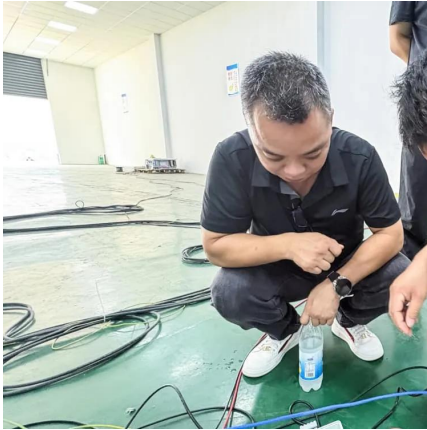

How will Huawei capitalise on the growing battery market?

Huawei are hoping to capitalise on the rapidly growing market for batteries with the combination of increasing state-based government subsidies, lowering solar export prices and the emergence of virtual power plant programs which create an additional revenue source for system owners.
