

New Zealand photovoltaic panel custom manufacturer

Overview

How much do solar panels cost in NZ?

Solar panels cost very little in NZ and offer a reliable source of power for water pumps, lighting, security cameras and alarms, remote communications, security gates, signage billboards, light houses, and on-site container offices. Wherever you need power, we can design off-grid solar systems perfect for your needs.

Who are Solar Partners NZ?

By continuing to browse the site, you are agreeing to our use of cookies. Solar Partners NZ are the only authorised distributor of Enphase products in NZ. We're a premier solar system wholesaler, trainer & business support hub.

Do you provide solar installations in New Zealand?

Yes! We provide solar installations in Auckland, Northland, Waikato, The Bay of Plenty and throughout the rest of New Zealand. With local installers and partners supporting both urban and rural properties.
