## Overview

---

Can electric cars make transport more sustainable in Costa Rica?

President Carlos Alvarado Quesada sees electric cars as key to making transport more sustainable in Costa Rica. The National Decarbonisation Plan has big goals for electric vehicles. It wants 70% of buses to be electric by 2035 and 100% by 2050. For light vehicles, the goal is 60% zero-emission by 2050, with 25% electric by 2035.

How many electric cars does Costa Rica sell a year?

Costa Rica sells approximately 150,000 petroleum-fueled vehicles a year (pre-pandemic), and the latest figures (March 2021) indicate EV sales of 1606 electric cars, 625 electric motorcycles, and 1,218 special use vehicles (such as golf carts).

Are electric cars cheaper in Costa Rica?

May 13, 2023 Buying electric cars in Costa Rica just got cheaper with the approval last month of the bill that exempts electric vehicles from the general sales tax and the selective consumption tax. Hybrids do not qualify for import tax exemption or other benefits ascribed to electric vehicles in Costa Rica.

How many EV chargers are there in Costa Rica?

By March 2024, Costa Rica had 57 fast chargers for electric cars. This is up from 50 in 2022. They plan to add more, aiming for 80 to 90 stations soon. Most of these stations are public L2 chargers. They are free and can charge most EVs in 4 to 5 hours. Also, EV sales have doubled in recent years.

Are electric cars tax deductible in Costa Rica?

Once the bill is put into action, it will exempt electric vehicles being purchased in Costa Rica from paying taxes on a sliding scale. Fully electric vehicles costing less than US\$30,000 (¢17.4 million colones) will be exempt from all taxes.

## Are EVs a good investment in Costa Rica?

Since 2018, Law 9518 has offered many benefits. New EVs get a full exemption from the 13% VAT. Used cars get the same break. Parts like batteries and electric motors also get tax breaks. Plus, EVs made in Costa Rica don't pay property tax for five years. This makes EVs more affordable and appealing.
